SOPHIE

SOPHIE - a wonderful senior blue cattledog! At 10, loves her walks and running with her dog friends at the park. At home she likes a spot on the floor right next to you - great companion for someone who works at home or is retired, etc. Happy and healthy - she loves green beans! Her owner/guardian died and she would like nothing more than to be with a couple/family/person again that loves her. Sophie is spayed and up to date with her vaccines.
