## COMMENTS

During this year Pathways partnered with PFX Pet Supply of Albuquerque New Mexico. PFX distributes quality dog and cat food and supplies to many New Mexican pet supply stores. PFX also provides a wonderful service to non-profits such as Pathways whereby PFX donates perfectly good pet food and supplies which have just expired or are close to expiring.

During 2014 PFX provided Pathways in November and December with 2 large donations consisting of 1,111 pounds of dog food, cat food and cat litter.

Pathways provided these items to the Storage Bin Food Bank in Albuquerque New Mexico and Desert Paws Animal Rescue in Peña Blanca New Mexico.
